

# *Dr Carol Weber*

**General Practitioner**

**MB.ChB, FRACGP**

Hailing originally from South Africa, Dr Carol Weber has been working on the Central Coast since 2009. With over 25 years in the Medical Industry, and the drive to make a difference in the lives of her patients; Carol's compassionate and friendly nature has made for a successful carer as a General Practitioner.

Carol thrives on the daily challenges her job presents; she prides herself on providing exceptional quality care to all her patients. Carol feels privileged to be entrusted with people's fears and joys, she loves seeing a positive outcome and her goal is always to help her patient no matter the situation whether it be providing a new perspective, educating or just being there.

When Carol is not at working, she enjoys spending time with her husband, three adult children and her new grandson as well as gardening, cooking and walking.

**Services Provided:**

Health assessments, skin checks, small procedures, chronic health management, women's health (including cervical screening), shared care, men's health, immunisations
